## Certificate of Attendance

### The Importance of Symmetry Workshop

This is to certify that **Ewa Wahlström** has attended and participated in a two day seminar addressing Bowen Technique and its use in facilitating optimum spinal function. Theoretical and practical components have been presented which allow the therapist to better assess, and restore tonal symmetry.

The curriculum included history, underlying principles & theory, holistic assessment techniques, relevant procedures, treatment protocol & demonstrations, and supervised practicum.

Venue: 'Campus Varberg', VARBERG - SWEDEN

Date: 24th-25th June, 2014

Number of hours: 14
